

## Catalyst for Neighborhood Parks

2009 - 2013

### Goals: Bringing People to Waterfront Parks

- Build interest in park destinations through programming and physical improvements.
- Increase access and diversity of users of blueways/greenways by connecting local residents to new recreational and educational opportunities.
- Help local groups engage effectively in citywide policy and advocacy efforts.
- Identify, connect, and strengthen waterfront parks stewards.
- Enhance and increase utilization of NYC Water Trail.
